# Mental Health Room

brought to you by COrGI

*Chemists for Outreach and Graduate Inclusion*

---

## PURPOSE

A safe space for graduate students to take appointments or have a moment alone.

*Effective Monday, October 23rd*

*To reserve follow [this](#) Calendly link*

The form will ask for a name and email. You may enter "reserved" and "cornellcorgi@gmail.com" to preserve anonymity.

**Location:** ST Olin G63

It has come to our attention that booking the mental health room using a shared google calendar was not inclusive for everyone in the community. Therefore, we are switching to [Calendly](#), a booking platform that will allow everyone reserve anonymously.
